PROCLAMATION!

I desire to call attention of our citizens to a provision of the city ordinances requiring all property owners and occupants of property in the city of Fairmont to keep the sidewalks in front of their respective properties clean. The time of the year is now at hand when it will become necessary for us to insist upon a strict observance of this law. Our civic pride will suggest the reasonableness of this provision and I feel sure that any neglect of this will be rather an oversight than a crime.

It will be understood from this time on that all persons must keep the sidewalks clear of snow in front of their own property. This is particularly true where there is any travel on and over the sidewalks.

ANTHONY BOWEN,
Mayor.
